Dear Parents / Guardians,

## School Calendar of Events 2017

The school calendar of events for 2017 is attached for your reference. The schedule of events is subject to changes. You may also wish to refer to our school website for updates.

## Students' Attire and Grooming

In order that our students continue to project a positive image, we seek your cooperation in ensuring that your child's attire, grooming and behaviour are in accordance with the school's expectations listed in the Students' Handbook.

With effect from 2013, Primary 1 to 3 students are allowed to put on their PE attire throughout the day on days when they have PE lessons. However, for Primary 4 to Primary 6, students are to put on their school skirts (girls) and school shorts (boys) before and after their PE lessons. On days with no PE lessons, they are expected to be in proper school uniform with name tag.

## Snack Break

With effect from Monday, 16 January 2017, there will be a 10-minute snack break for students during the 9<sup>th</sup> period (11.45am – 12.15pm). Students are encouraged to pack healthy dry snacks (e.g. nuts / biscuits / cakes) or fruits (e.g. raisins / banana/ apple / pear) to be consumed in class.

## Class Cleanliness

In a move to inculcate a sense of responsibility and good life habits in students, the school will be implementing daily cleaning of classrooms during *Care Time*. It is a structured time for students to clean their classrooms during the last 10 minutes of every school day.

Please help to reinforce these good habits by encouraging your children to clean up at home too.

## Healthy Meals in Schools Programme (HMSP)

To promote healthy eating and ensure that students get the nutritious benefits from the consumption of healthier and balanced meals, the school will be implementing HMSP this year to help them cultivate healthier eating habits. For more information on HMSP, please refer to the attached circular produced by the Health Promotion Board (HPB).

To ensure that all students have well-balanced meals, they will be required to consume the fruits. The inclusion of fruits for each meal will incur an additional cost of \$0.30 with effect from Monday, 16 January 2017. Healthier eating habits
