Road Safety

The safety of students using roads leading to and from the school is the responsibility of all. We need motorists to play their part by slowing down in the vicinity of the school. We also appeal to parents to reinforce the importance of road safety at home.

Students and parents / guardians walking to the school are to use the appropriate traffic lights and zebra crossings and to enter the school via the appropriate gates. Cyclists are to dismount and push, NOT ride, their bicycles at pedestrian crossings or when crossing the Sunflower Gate (Main Gate).

During peak traffic periods such as arrival and dismissal times, students arriving at school by car are to alight at the drop-off zone in front of the security post. Our staff and security guards are deployed to facilitate the flow of traffic and reinforce road safety behaviour. Please cooperate with them for the safety of our students.

Parents-in-Education

We acknowledge that parents play a crucial role, especially in moulding the character of our students. We would like to invite parents to visit our Facebook page at <https://www.facebook.com/treasuredmomentsatLPS> for latest updates on school activities and events.

Thank you for your continued support.

Yours faithfully,

Mdm Pang Siu San
