"Building passion and character takes many years and is a joint effort. Schools, parents and the community are all integral parts of a child's life. We have to support each other in offering opportunities for our children to learn in ways that are very relevant and real for them, connecting them to the society they live in, and the world."

Mr Heng Swee Keat, Minister for Education (5 April 2013)

Parents-in-Education

Loyang Primary School is proud to have a strong and dedicated team of parents who has been very supportive of our school programmes and events. We would like to invite you to join us as a PIE member in our school. Together, we will embark on this eventful journey of developing our children to their full potential.
